Dar El Salam,, Cairo, Cairo
Governorate, 11721, Egypt

Computer Science student with strong foundation in programming, databases, and networking. Skilled in OOP, SQL Server, and troubleshooting. Completed hands-on training in network engineering at Agricultural Bank of Egypt. Passionate about coding, IT support, and continuous learning.

Work Experience

Network Intern
Agricultural Bank of Egypt | *Giza, Egypt*

Jul 2025 - Aug 2025

Assisted in configuring, monitoring, and troubleshooting network systems during internship at Agricultural Bank of Egypt. Gained practical experience in networking fundamentals and IT support.

- Configured and monitored routers and switches in a banking environment.
- Supported troubleshooting for connectivity and system performance.
- Collaborated with IT team to ensure secure and stable network operations.

Projects

Bank Network Internship Lab
Jul 2025 - Aug 2025

Configured and monitored routers and switches in a real banking environment. Supported troubleshooting and collaborated with IT team to ensure secure network operations.

Web Design Training Projects
Jun 2024 - Jul 2024

Developed static websites (HTML, CSS, JavaScript) during training at MASA Thebas Higher Institute of Management and Information Technology.

Core Skills

IT Support & Troubleshooting:

Object-Oriented Programming (C++):

SQL Server & Database Management:

Data Structures:

Frontend Basics (HTML, CSS, JavaScript):

Education

Taibah Academy
Oct 2023 - Present

Bachelor's Degree Computer Science

Relevant Coursework: Object-Oriented Programming (OOP), Data Structures, SQL Server & Databases, Computer Networks, File Structures, Web Design, Intro to Voice Engineering

Languages

Arabic *(Native)*, **English** *(Good (Reading & Writing), Fair (Speaking))*

Awards

Certificate of Appreciation – Network Internship   Jul 2025
Agricultural Bank of Egypt

Awarded for successful completion of summer internship in Networking and outstanding performance in practical training

Certificate of Appreciation – Web Design   Jun 2024
MASA Thebas Higher Institute of Management and Information Technology

Recognized for completing Web Design training (HTML, CSS, JavaScript) with distinction.

Certificates

Web Design (HTML, CSS, JavaScript)   Aug 2024
Information Technology Institute (ITI) – Mahara-Tech
